### Empowers you to save \$100's on electric bills!

Electricity bill are rising. Now you can cut down on costs and find out what appliances are actually worth keeping plugged in. Simply connect these appliances to the Kill A Watt™, and it will assess how efficient they really are. Large LCD display will count consumption by the Killowatt-hour, same as your local utility. You can calculate your electrical expenses by the day, week, month, even an entire year. Also check the quality of your power by monitoring Voltage, Line Frequency, and Power Factor. Now you'll know if it is time for a new refrigerator or if that old air conditioner is still saving you money. With the amazing Kill A Watt™ you'll know "Watts" killing you.

Large LCD display

Cumulative Killowatt-Hour Monitor

Forecast Your Costs

Also display Volts, Amps, Watts, Hz, VA

## Kill-A-Watt EZ Meter

\$45.00

### Empowers you to save \$100's on electric bills!

Now you can cut your energy costs and find out what appliances are actually worth keeping plugged in. Simply connect these appliances to the Kill A WattEZ™, and it will assess how efficient they really are. Large LCD display will count consumption by the Killowatt-hour, same as your local utility.

Shows the operating costs of your household appliances

Calculates cost and forecasts by week, month and year

Built-in battery backup

Displays eight critical units of measure

## Electricity Usage Monitoring Power Strip

Now you can protect your valuable electronics and find out what they are actually costing you. Simply connect these appliances into the Kill A Watt™ PS, and it will assess how efficient they are while the built-in surge protection keeps them safe. Advanced features such as over current, over voltage, and no load detection provide clean, safe power to your expensive equipment.

Check the quality of your power by monitoring Voltage, Line Frequency, Amperage, KWH, Current Leakage and more. Now you'll know how much power your entire computer or home theater system is using. With the innovative Kill A Watt™ PS you'll have peace of mind in more ways than one.

Advanced Surge Protection Circuitry / Soft Power-Up / Displays Max/Min Volts, Amps, Watts, PF, & Leakage Current / 6 Foot Cord with Low Profile Plug / Light-Up Power Switch / Backlit LCD Display / Six Regular Outlets / Two Wide Convenience Outlets.
